

PUBLICATION REQUEST FORM

Date _____

1. Provide all bibliographic information of the proposed publication where the material will appear, such as title (of article, book or digital product), title of journal if applicable, place of publication, publisher and projected date of publication.

2. Identify the Latin American Library collection name, folder number, page(s) and/or images requested for publication.

3. Describe how material will be used in the above-mentioned publication.

4. The Licensee hereby agrees not to release or permit to be released the above-described materials to any person, entity, agency, or party whatsoever, nor permit the use of the above-mentioned materials (in whole or in part) by any person, entity, agency, or party without first obtaining the written permission of the Latin American Library.

All publication permissions granted are limited licenses for one-time use only for the material specified in this request form and in any publication agreement document. A fee will be charged for permission and/or reproduction.
